

THE STUDY OF GOSPEL OF MARK

This study is designed to encourage you to begin to develop a solid foundation for the book or epistle you are studying. In each study you will find a brief background on the book or letter, general themes found in the book, a list of key words found within the chapter and a set of questions can be answered directly from the verse provided at the end of the question.

Please plan to read the book or letter in its entirety first then begin the study. You will need a pen, a note pad, and your Bible. Once you've read through the entire book go back to the beginning and read the first chapter. Circle key words in that chapter. Compare your key words with the key words listed in the study. Now read the chapter again, and mark in your margin, key points. Jot down key points on your own note pad.

Answer the questions for chapter one. You will find the answer in the verse provided at the end of the question. When you have finished the questions, retitle the chapter. The names and subtitles are not divinely inspired but are placed there to give clarity. This exercise will help you develop in your own mind, the important aspects of each chapter. Proceed in this fashion until you finish the course of study. You will find that when the study is repeated you will glean new and fresh revelation each time. Before you begin however, begin in prayer asking the Lord to give you revelation and understanding.

1. Read the entire book or epistle in one day if possible.
2. Next, read the 1st chapter marking all key words.
3. Compare your key words with those listed in the study.
4. Make a note in the margin of the key points in each chapter
5. Jot down the key points on your own note pad.
6. Read the chapter again.

7. Answer the questions for each chapter and retitle the chapter.

Ask yourself several questions after each chapter:

How does this apply to my life? :

How does this apply to the church today?

How does this build my faith?

What do I need to do to live a life that is reflective of what I read in this chapter?

When you complete the study you should have a solid foundational understanding of what the author was conveying through the power of the Holy Spirit. Encourage a friend to join in and allow time for discussion after each chapter.

Background:

The Gospel of Mark: The Gospel of Jesus Christ, the Son of God

Mark is one of the four gospels and it may have possibly been the first written. Although the dates could range between two decades, it is believed to have been written early A.D. 60's. Tradition says it was written by John Mark from Rome and there are no strongly opposing views. It was written to a gentile audience outside of Palestine due to the fact that Mark explains Jewish customs and beliefs (7:3-4; 12:18) and translates words from Aramaic (5:41, 15:22)

Mark was an evangelist who was most likely the son of Mary, the same as John Mark found in Acts. (Acts 12:12, 25) His mother was a relative of Barnabas (Col 4:10) and of Jewish descent. Peter went to his mothers home after the supernatural release from prison. Peter considered his a son (I Pe 5:13) most likely because Mark came to the Lord through Peter's ministry. Mark went on a mission trip with Paul and decided to return home before the mission was complete. (Acts 12:25, 13:5) Consequently he matured in

the faith and became a great help to Peter and was included in sending salutations (I Peter 5:13) Paul felt differently about Mark (II Timothy 4:11)

The Gospel of Mark reads like a history book, carefully recording many supernatural miracles of Jesus.

Mark gives an account of Jesus being baptized, the heavens open, the Holy Spirit descends, and a voice from heaven declares the identification of Jesus as the Son of God. He also records the invitation to the disciples one by one to follow Christ. Jesus cast out demons, preached the Gospel, and healed the sick. The masses were hearing of his miraculous works and began to follow Him. Jesus heals a leper out of compassion.
